

Geography												
Half Term												
	NC	Autumn 1	NC	Autumn 2	NC	Spring 1	NC	Spring 2	NC	Summer 1	NC	Summer 2
Year 7	Geographical Skills and Fieldwork – weather and climate Human and physical processes interact Geographical Skills and Fieldwork Place/location al Knowledge –Continents of the world and Asia	What is Geography? Weather and Tropical Storms Example: NSG Microclimate Typhoon Haiyan	Human and Physical Geography – Weather and climate Human and physical processes interact Place/location al Knowledge –Asia (India) and Africa Hot Deserts	Weather and Tropical storms Hot Deserts Example: Sahara and Thar desert	Human and Physical Geography Numeracy Sills –Climate graphs Map skills -Continents	Hot Deserts Population Example: Migration in Brazil	Human and Physical Geography – Population Geographical Skills and Fieldwork Numeracy Sills Map skills –Continents Place/location al Knowledge –Asia (China)	Population Rainforests Example: China’s one child policy	Human and Physical Geography Place Knowledge Numeracy Sills –Climate graphs	Rainforests Example: Amazon rainforest	Human and Physical Geography – Urbanisation Place Knowledge Geographical Skills and Fieldwork Numeracy skills –graphs	Urban Example: Hull
Year 8	Human and Physical Geography – Plate tectonics and hydrology Human and physical processes interact Geographical Skills and Fieldwork Map Skills	Tectonics Rivers Example: Haiti and New Zealand earthquakes Montserrat volcanic eruption	Human and Physical Geography – Hydrology Geographical Skills and Fieldwork Human and physical processes interact Numeracy Sills –storm hydrographs Place/location al Knowledge –Middle East	Rivers Energy Example: Queensland Floods Middle East Energy production	Human and Physical Geography – international Development Human and physical processes interact (Climate) Geographical Skills and Fieldwork Numeracy skills – graphs	Energy World Development Example: South America (Bolivia, Suriname and Chile)	Human and Physical Geography – International Development Economic activity (Sectors) Numeracy skills – Scatter graphs Place/location al Knowledge –Africa	World Development UK Economic Development Example: Sierra Leone	Human and Physical Geography – Development Economic activity (Sectors) Numeracy skills – statistics (mean median mode)	UK Economic Development	Human and Physical Geography – Coasts/ rocks and weathering Human and physical processes interact Map Skills	Coasts Example: Holderness Coast
Year 9	Geographical Skills and Fieldwork Place Knowledge 1, 2b, 2c, Map Skills and numeracy	Geography Skills - Map Skills/GIS/Graphs <u>New Unit for 2020-2021</u>	AQA Specification A Paper 1 1, 2b, 2c, 4	Unit 1 Living with the Physical Environment - The Challenge of Natural Hazards AQA GCSE Case studies and Examples: Chile and Nepal	AQA Specification A Paper 1 1, 2b, 2c, 4	Unit 1 Living with the Physical Environment - The Challenge of Natural Hazards AQA GCSE and The Living World Case studies and Examples: Typhoon Haiyan/Somerset Levels	AQA Specification A Paper 1 1, 2b, 2c, 3, 4, 5	Unit 1 Living with the Physical Environment - The Living World And Physical Landscapes in the UK Case studies and Examples: Fresh water pond, Malaysia and Thar Desert	AQA Specification A Paper 1 1, 2b, 2c, 3, 4	Unit 1 Living with the Physical Environment - Physical Landscapes in the UK Case studies and Examples: Holderness Coast	AQA Specification A Paper 1 1, 2b, 2c, 3, 4 Numeracy Sills –storm hydrographs	Unit 1 Living with the Physical Environment - Physical Landscapes in the UK Case studies and Examples: River Tees

Year 10	AQA Specification A Paper 1 1, 2b, 2c, 3, 4, 6	Unit 1 Living with the Physical Environment - Physical Landscapes in the UK and Unit 2 Challenges of the Human Environment - Urban Issues and Challenges	AQA Specification A Paper 2 1, 2b, 2c, 6	Unit 2 Challenges of the Human Environment - Urban Issues and Challenges Case studies and Examples: Rio de Janeiro and Bristol	AQA Specification A Paper 2 1, 2b, 2c, 6 Map Skills and numeracy skills	Unit 2 Challenges of the Human Environment - The Changing Economic World Case studies and Examples: Jamaica	AQA Specification A Paper 2 1, 2b, 2c, 6	Unit 2 Challenges of the Human Environment - The Changing Economic World Case studies and Examples: India NEE, Torr Quarry	AQA Specification A Paper 2 1, 2b, 2c, 5, 6 Numeracy skills – graphs	Unit 2 Challenges of the Human Environment - The Challenges of Resource Management Case studies and Examples: Gas non-Renewable and Chambamontera	AQA Specification A Paper 3 2b, 2c, 2d, Numeracy skills – statistics (mean median mode)	Unit 3 Geographical Applications- Fieldwork
Year 11	AQA Specification A Paper 2 1, 2b, 2c, 5, 6	Unit 2 Challenges of the Human Environment - The Challenges of Resource Management Case studies and Examples: Chambamontera	AQA Specification A Paper 3 2b, 2c, 2d, Map Skills and Numeracy	Unit 3 Geographical Applications- Geographical Skills	AQA Specification A Paper 1 1, 2b, 2c, 3, 4, 5	Paper 1 Revision	AQA Specification A Paper 3 1, 2b, 2c, 3	Unit 3 Geographical Applications- Pre - Release	AQA Specification A Paper 2 1, 2b, 2c, 6	Paper 2 Revision		

Geography subject content GCSE codes

1. Locational Knowledge
2. Maps, fieldwork and geographical Skills

2a) Maps

2b) Fieldwork

2c) Use of Data

2d) Formulating Enquiry and argument

3. Place: processes and relationships
4. Physical Geography: processes and change
5. People and the environment: processes and interactions
6. Human Geography: processes and change
