PRIDE ASPIRE EXCELLENCE

  @nsg Hull

WELCOME

“I am delighted to take this opportunity to showcase our school and to help you make the right decision in choosing a school that will ensure your daughter thrives and succeeds.”

Newland School for Girls is a diverse, highly aspirational and academically high achieving school. We are rightly proud of being all-girls, serving and educating young ladies in Hull for over 100 years. We encourage every student to have high aspirations and the ambition to succeed. Newland School for Girls is recognised as the one of the highest achieving schools in Yorkshire in 2018, placed in the top 10% of schools in Hull and placed 12th out of similar schools nationally.

We offer a unique educational experience in the city and girls who are part of our school become part of the strong network of Newland Old Girls, within the city and beyond. We promote the traditional values of respect, care for each other and self-discipline, while celebrating the school's diverse talents, abilities and cultures. Our students work together in a well-ordered, harmonious and happy community drawn from all cultures and backgrounds across the city.

We place a high value on care and nurture to enable all our students to make rapid academic progress and grow into caring and responsible young adults. Our students have a keen appreciation of moral values, a lively sense of purpose and a justified pride in themselves. They value highly the support they receive from teachers, the challenge they receive in lessons and the tolerance and respect all students have for each other in their school community.

We have high levels of attendance and punctuality. Our students are successful, personable and motivated to learn. “Students’ good behaviour and highly positive attitudes to learning are underpinned by good promotion of spiritual, moral, social and cultural education.” We place a high value on the development of character alongside, a student’s ability to achieve excellent examination results.

Please feel free to visit us and see how we work together to provide a truly outstanding experience for your daughter.

Vicky Callaghan
Headteacher

PRIDE

We engender a pride in our students in all that they do. Whether that be in the quality of their work, their attendance, personal appearance and conduct, their contribution to student voice or through leadership activities they take part in, we ensure that students develop a sense of pride in their achievements. Learning to be proud of our achievements and making sure all we do is something to be proud of, is one of our core values.

ASPIRE

We ASPIRE to be the best we can be in all that we do. As a school community we, as adults, model high aspiration in our actions so girls understand what challenge is; striving to do better and be better even when we do really well. We believe in the capability of our students and we ensure there is challenge for everyone at every level. Learning to have high aspirations is important so that our students achieve well and become decent citizens, is important to us and is one our core values.

EXCELLENCE

At Newland School for Girls we through focus, determination and a will to succeed, ensure excellence. Taking pride in our work and our behaviour, maintaining high aspirations and using that to continually improve, we can then achieve excellence. As our confidence grows, as well as our belief in ourselves to do well and to improve, we realise the success we are due. Achieving excellence in our actions as well as our work, is a core value of our school.
